**It's our promise to you, you'll always speak to a real person.
Absolutely no chatbots in sight!**

TOP REASONS TO BOOK

✳ **DOORSTEP SKIING** – ski directly down to catch the high-speed chair lift towards Valloire or take the chair lift in front of the hotel for your first run of the day. No walking, no buses! To finish off the day, ski from 2,750 m back to the hotel at 1,800m.

✳ Unlike many other ski companies, we provide ¾ board for **EVERY** night of your stay, meaning you can enjoy our hearty breakfasts, tea and homemade cakes plus four course evening meals (incl. wine) each day. *Vegetarian options and an early childrens' suppers are also on offer every evening.*

✳ Valmeinier is commonly know as the undiscovered “Jewel in the Alps”, which means that unlike the larger resorts, not only are the lift passes much friendlier on your wallet but this snow sure resort is also less busy, even during holiday periods. *Lift pass prices can be found on our website.*

✳ We have our own in-house equipment rental shop so if you don't want to bring your equipment with you, we can arrange this for an extremely reasonable price.

✳ One of the best things about our holidays continues to be the people you meet and the friends you make. Our holidays include many additional services, such as our **FREE SOCIAL SKIING** programme, **KIDS CLUB** and **APRÈS SKI**, always endeavouring to provide “that little bit extra”.

✳ Whether you are a solo traveller, a family or a group of 20 we have got some super deals; such as **FREE bronze ski hire**, **Share 'N' Save** and **single parent discounts**. *Please visit our website for the most up-to-date offers.*

TOP REASONS TO TRAVEL BY SNOWCOACH

- * Arrive in Valmeinier the morning after your departure day by 08.30/09.00, ready to enjoy breakfast and head off to the slopes.
- * 8 days skiing as opposed to the usual 6 if travelling by air. Your return coach journey leaves Saturday PM giving you a full day on the slopes on your departure day.
- * Shorter stays by coach also enjoy one extra skiing day: 3 nights = 4 days skiing; 4 nights = 5 days skiing; 6 nights = 7 days skiing.
- * Take your own skis or snowboards for only £10 return (must be pre-booked).
- * Car parking at either South Mimms from only £4 a day or Dover from only £4.50 a day. *Contact us for your discount code.*
- * Enjoy the Dover-Calais ferry crossing which takes just 90 minutes, giving you time for an evening meal and duty free shopping. Or book the P&O Club Lounge (payable) which includes food and drink.
- * Lower your CO2 emissions by choosing to travel by coach rather than flying.

TOP REASONS TO TRAVEL BY AIR

- * Fully flexible week, weekend or short breaks. You decide when you travel and how long you stay.
- * We can arrange both shared and private transfers for you at a small additional charge.
- * Valmeinier 1800 is easily reached from a number of airports:
 - CHAMBERY** - the nearest airport is only 1 hour 30 mins transfer time to the hotel. Arrive on a Saturday and stay for 7 nights or arrive on Sunday for 6 nights. We can arrange shared transfers AM and PM to suit the various flight arrival times at a cost of £15 per person each way. We recommend Jet2 and TUI who fly directly to Chambéry from several UK airports.
 - GENEVA** – we can arrange shared transfers to and from Geneva on Saturdays and Wednesdays. Your flight should arrive before 14.30 and return flight needs to depart after 12.30. Cost is £35 per person each way. Private transfers* also available subject to timings.
 - LYON & GRENOBLE** – these may be private or shared transfers. Private transfers also available subject to timings.
 - TURIN** – At Turin airport take the bus, train or taxi to main train station and then take the train to St Michel Valloire via Modane. We can then either pick you up from St Michel (subject to availability) or you can get a taxi or bus up the hill to the hotel.

TOP REASONS FOR FAMILIES

The Hotel L'Aigle is the perfect place for your family holiday; the doorstep skiing location and the abundance of large rooms makes family life on the slopes very convenient. We also offer a **FREE KIDS CLUB** based in the hotel.

Family Bedrooms: The Hotel L'Aigle has many large bedrooms sleeping up to six people.

Facilities: Travel cots, car seats & high chairs are available upon request free of charge when pre-booked prior to travel.

Meals and Games: A children's menu is on offer with an early meal sitting. On peak dates children receiving a child discount may be required to eat at the early sitting. There is a games room with a DVD player where age appropriate films may be shown after dinner (not supervised).

Kids Club: We provide a **FREE Kids Club** 4 days per week to entertain your child during the day and cater for both skiing and non-skiing children from 3-12 years old. In addition, we can escort your child to and from ski school as long as your child is booked into the appropriate club session which coincides with their lesson.

TOP REASONS FOR SKIERS & BOARDERS

Are you looking to meet new people, explore the mountains and discover the pistes with like-minded people of the same ski standard and have some fun? Then look at joining our **FREE Social Skiing** in resort and enjoy the best that our resorts have to offer without even having to open a piste map...

...social skiing is the perfect way for you to....

explore the pistes with other skiers of the same standard

discover unfrequented parts of the mountain

get to know other people

have lots of fun with like-minded people.

We will introduce similar standards of skiers to each other so that clients can form their own group to explore the mountain at their own pace. For those who would like to take part, a member of our staff will help organise the groups into two or three categories – the fast reds/blacks, medium reds/blues and cruise the blues. You should be able to cope safely on red runs to take part.

LIFT PASSES SKI FROM 2,750m TO 1,400m

Due to the fact that Valmeinier 1800 and Valloire are lesser well known resorts (and therefore not as busy), the lift passes are far more reasonable.

A 6 day lift pass for Valmeinier 1800/ Valloire costs just €257 per adult.

By comparison, a 6 day ski pass in the following resorts will set you back significantly more:

- * Morzine - €324
- * Val d'Isere - €396
- * La Plagne - €330

It is a booking condition that lift passes are purchased through us, as we will have committed to binding contracts for both the foreign exchange/Euros and the ski passes, prior to the winter season.

REVIEWS 2022/23 SEASON

Pete, Trip Advisor – Valmeinier, February 2023

Perfect family hotel with heart. Homely and rustic hotel with the friendliest and most helpful staff you could ever wish for. The term customer service does not do justice for the genuine and fun staff who especially made my four year olds stay a brilliant one. Nothing was too much trouble for them. All superstars. Room clean and functional with plenty of storage space and perfect shower. Super food all week and free flowing free wine during the meal. A lovely atmosphere with staff and guests alike mingling and having fun. Great proximity to the slopes and a hidden gem of a resort that I think the French have understandably wanted to keep for themselves. Good amount of varied slopes that are not too busy and a pretty little resort centre with a smattering of shops, bars and restaurants plus a handy Spar over road from hotel. Finally flexible options for coach or sorting out your own flights and the hotel lays on the transfers for a very reasonable cost. Literally the perfect ski holiday. Well done Snowcoach you've nailed it!

Mrs. K, Harrogate – Valmeinier, February 2023

We have loved our holiday so much we will definitely come again. The staff have been superb.

Ms. C, Llanrwst – Valmeinier, January 2023

Once again, after travelling with Snowcoach for 35 years, an excellent week at the L'Aigle. The staff couldn't have been more helpful and the food was amazing. A big thank you to all the staff

Ms. G, Berkhamsted, Herts – Valmeinier, December 2022

Super, lovely, friendly staff. Thank you all.
